Curve, conform, print and cut – Supercast Films meet any screen and cut need.

Supercast 900 Series Opaque Films provide design options that meet most any application need.

When you need graphics that can tackle difficult shapes, curves and crevices, Avery Dennison® 900 Supercast Series Films produce the best in screen and cut applications. The Supercast 900 Series incorporates a new 2.0 mil gloss cast formulation, offering you the industry's best in 3D conformability performance, improved gloss and durability.

**Benefits:**

- > Exceptional when used in 3D vehicle and architectural applications
- > Faster, easier installation without the need for primer
- > Easier processing, saving you time and money
- > Smooth, paint-like finish
- > Graphics that look good for the life of the application

## SC 900 Metallic

High gloss, premium metallic cast film in 29 colors – with vinyl to the edge. Custom colors available.

<b>Film Type</b>	Cast vinyl

# HP 700 Series High Gloss Calendered Opaque

Cost-effective high-gloss film with excellent UV, temperature, humidity and salt-spray resistance. Available in 16 colors. Up to 60" width roll sizes are available for select colors. Visit – [graphics.averydennison.com](http://graphics.averydennison.com) for full product details and information.

<b>Film Type</b>	2.8 mil calendered vinyl
<b>Adhesive</b>	Permanent
<b>Liner</b>	78# Kraft
<b>Conformability</b>	Flat / simple curves
<b>Converting</b>	Screen / thermal
<b>Durability</b>	Up to 6 years
<b>Gloss</b>	90

## Features

- > 3 mil gloss and 2.8 mil high-gloss calendered vinyl with Kraft liner
- > Superior dimensional stability
- > Excellent UV, temperature, humidity and salt-spray resistance
- > Select colors available with specialized adhesives and liners
- > Up to 6 year durability

## Benefits

- > Easy cutting and weeding saving time in conversion
- > Wide variety of color options
- > Multiple adhesive/liner combinations give flexibility to fit multiple applications

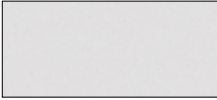

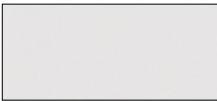

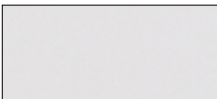

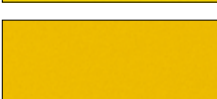

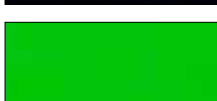

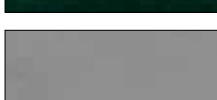

For information on product sizes, technical details and where to buy, visit [graphics.averydennison.com](http://graphics.averydennison.com)

# 500 PROMO Calendered Opaque Film

Cost-effective, intermediate high-gloss film for signage applications in 30 colors. Up to 60" width roll sizes are available for select colors. Visit – [graphics.averydennison.com](http://graphics.averydennison.com) for full product details and information.

## Application accessories to assist you with all your vinyl applications.

Product	Item No.	Description
 Avery Dennison® Accessories Kit	XD9267	Avery Dennison® Tool Kit includes a selection of Avery Dennison Tools packed in one gift box; tool belt, Avery Cotton application gloves, cutter, blue felt squeegee, 2 magnets and snitty.
 Application Tool Belt	Z1061	Tool belt keeps all your tools in this specially-designe. Designed by professional applicators.
 Blue Premium Squeegee	Z1007	A blue nylon reinforced squeegee. The perfect tool fr. Doesn't nick as easily as the plastic, but not really durable enough for fleet or vehicle wraps.
 White Basic Squeegee	Z1008	A white, low cost squeegee that is intended for light or single use applications. They nick easily. Gets one or two uses and are usually thrown away. The most common area of use for these is applying sign cut letters. Great giveaways.
 Silver Premium Squeegee	Z1057	A silver premium nylon squeegee ideal for fleet work. This high quality squeegee minimizes nicks that can occur. It can still be sharpened and will last for several jobs.
 Blue Felt Squeegee	Z1058	A blue nylon reinforced squeegee with a black felt edge that will not scratch or mar the surface of digital prints or specialty vinyl. The perfect tool for flat or lightly curved surfaces.
 White 100% Felt Squeegee	Z1059	A white felt squeegee designed for flat or lightly curved surfaces for medium and low pressure applications. Best used for highly contoured areas where the hard squeegees don't conform. Should not be used for the entire application because it doesn't allow for enough pressure on the film which usually results in bubbles that appear a day or so after the application.
 Red Pro Flex Squeegee	Z1071	A red, softer and more flexible squeegee with a felt edge that will not scratch or mar the surface of digital prints or specialty vinyl. Ideal for 3D applications, deep corrugations and curved applications like pillars and car bumpers.
 Blue Pro XL Squeegee	Z1075	The Avery Dennison® Squeegee Pro XL is the big brother of the squeegee Pro. It is a 6" rigid squeegee versus standard 4", allowing for faster high quality applications on large and flat surfaces like buildings/busses.
 Squeegee Pro - Rigid	AP8270001	A Teflon® squeegee for smooth non-stick applications where the edge of the squeegee does not heat up or create drag. The soft felt edge can be wet in order to avoid scratching vinyls.
 Flextreme Squeegee	CB262001	A set of two micro-squeegee specifically designed for vinyl graphics applications featuring very tight, compressed corrugations and other narrow substrate indentations.
 Squeegee Sleeves - 5 pk	Z1009	The squeegee sleeve is used around the squeegee to prevent potential damage to the decal.
 Rivet Brush (3")	Z1011	3" rivet brush is ideal for vinyl applications over rivets on fleet vehicles like trucks and signage panels. The easiest way to force vinyl into tight areas, around rivets even the corrugations found on caravans.
 Super Strong Apply Magnets - 2 pk	Z1063	Magnets are a great aid to holding and positioning graphics on a substrate. Strong magnetic pull can replace application tape.
 Application Glove GMD (1 glove only)	Z1072	A soft, seamless, cotton, application glove with anti-static properties and excellent friction resistance help smooth graphics over the application surface and into curves and recesses.
 3" Roller	Z1006	3" roller/ brayer for rolling vinyl over rivets and contours in seconds. Helps bring speed and comfort to a once time consuming application process.
 Air Release Pen	Z1074	Sharp retractable air release pin in a handy pen design. Ideal for releasing trapped air and eliminating bubbles during application.
 Knife / Pick Holder	Z1012	Air release tool/weeding tool.
 Snitty Vinyl Cutter	Z1060	Snitty vinyl cutter is a mini-slitting tool. Handy for cutting self-adhesive material.
 Breakaway Application Knife	Z1062	Plastic applicator knife designed for graphic application. Holds 30°-angled break-away blade for accurate cutting.
 Premium Cutter	Z1076	A strong, durable metal casing, holding 30° angled breakaway blades for accurate cutting.
Spare Blades Box	Z1073	Spare Blades Box is a disposable container, as well as a dispenser, for safe use of the Premium Cutter (Z1076) and Breakaway Application Knife (Z1062). 30°-angled breakaway blade/#11 tip. 15 blades per pack.
Right-On Application Fluid - 1 gallon	Z1002	The Avery Dennison® Right-On Application Fluid cleans the substrate and improves wet application for a bubble free installation in all seasons and climates.

## Products for any graphic application.

Avery Dennison  
Graphics Solutions

Our high-performance, pressure-sensitive materials are found in thousands of products used every day around the world – in digital, screen print and sign cut applications, such as vehicle, building graphics, marine and fleet graphics, architecture and advertising. Our complete line of products are designed to meet any graphic application need.

Everyday...everywhere. Avery Dennison is constantly innovating to make graphics more exciting, noticeable and easy to install. Decades of know-how and the latest technologies – like Easy Apply Technology Supreme Wrapping Films and our Digital Overlaminates – allow us to help our customers consistently transform ideas into impactful messages.

## STOCK ROLLS

### Ordering Point

- All orders may be placed through your Avery Dennison Graphics Solutions Customer Service Representative phone: 800-28-AVERY; fax: 1-800-232-4646; e-mail: [materials.orders@averydennison.com](mailto:materials.orders@averydennison.com)
- Verbal orders can be accepted but must be followed-up with written confirmation.

### Order Cut-off Time

- To provide maximum flexibility, orders entered by 4:00 p.m. Eastern Time will be shipped the following day, pending credit review. Orders entered by 1:00p.m. Eastern Time will be shipped same day.
- Orders on credit hold for 5 business days will be cancelled without notice. Failure to submit accurate Avery Dennison item numbers could delay processing of order.

### Order Acknowledgements

- Order acknowledgements will be faxed or e-mailed following order entry.

### Order Cancellation/Change

- Orders for same day shipment cannot be changed or cancelled.
- Order/Shipping Errors—60 days from invoice date to make claim.
- Cancellations must be in writing and submitted via e-mail to: [materials.orders@averydennison.com](mailto:materials.orders@averydennison.com), or fax: 800-232-4646.

### Backorders

- Avery Dennison Graphics Solutions will pay for the freight of the backorder, regardless of the original order quantity. The standard shipment method will be UPS Ground or equivalent. In the instance where a backorder is required, a revised acknowledgement will be faxed or e-mailed to you.

### Freight

- Prices are F.O.B. Point of Shipment, freight billed on invoice to destination. Orders of \$2,500.00 or more (exclusive of special service charges, handling, tax, etc.) will be shipped freight pre-paid and allowed.
- All requested air shipments require written confirmation from customer, and customer is responsible for air freight charges.
- Routing is of our selection; routing at the discretion of customer will be at customer's expense.
- Separate purchase orders cannot be combined to meet the freight minimum.

### Drop Ship Policy

- To accommodate our customers in emergency situations, Avery Dennison Graphics Solutions offers a drop ship policy for finished goods items.
- Drop shipment orders must be submitted under separate P.O.s for each individual delivery location.
- All requested air shipments require written confirmation from customer, and customer is responsible for air freight charges.
- Avery Dennison Graphics Solutions does not offer a drop ship policy for bulk rolls.
- Drop Ship orders can be accommodated to domestic U.S. locations. Drop Ship orders to international locations, including Canada and Mexico, are not available.

### Order Pick-Up Policy

- Avery Dennison Graphics Solutions is unable to accommodate customer order pick-up.

### Technical Support

- Full-time professionals are available to answer your questions about product characteristics, performance and applications.

### Pricing Change Notification

- Avery Dennison Graphics Solutions will provide 30 day notification of a change to its published prices or terms and conditions.

### Returns: Defective Material

- All claims must be reviewed with Technical Services prior to authorization of return, issuance of credit or authorization of replacement order.
- All returns require Return Materials Authorization (RMA) prior to shipment to Avery Dennison Graphics.
- All returns must be received at Avery Dennison Graphics within 30 days from date of RMA, otherwise they will be considered closed.

### Returns: Overstock

- All sales of products are considered final; however at the sole discretion of Avery Dennison Graphics Solutions, stock product returns within 60 days of shipment can be authorized with the following conditions:
- All returned goods are subject to a 20% restocking charge.
- Credit on returned goods will be based on the lower of purchase price or current price.
- Goods must be current products of cataloged items that have been maintained and stored according to manufacturer's guidelines and shelf life as may be found published in Avery Dennison technical statements and product literature.
- Goods must be in sellable condition.
- Returns must be approved and pre-authorized in writing by Avery Dennison management prior to shipment with a RMA.
- Transportation charges must be prepaid at customer's sole expense.
- Goods must be shipped to the appropriate designated Avery Dennison Graphics Products' distribution center.

### Splices

- Splices will be a minimum of 5 yards from each other and 3 yards from either end.
- 10 yard rolls will not have splices, with the exception of Reflective and Leaf products.
- All splices will be clearly marked.

Cast & Calendared Items	Max# Splices
0-49 yards	Splice Free
50-99 yards	1
100-249 yards	2
250 yards	3
Reflective Products Max# Splice:	Max# Splices
10 yards	1
100 yards	6

### Sample Program

The following samples are available upon request:

- 3" x 5" sample sheets for all Screen and Cut films.
- 5" x 8" sample sheets of Digital films.
- Short rolls of stock Digital Media are available, with one day lead time.
- Samples shipped within 48 hours via UPS from Painesville, OH.
- Maximum of 20 sample sheets per request.
- 21-day notice required for ordering film or literature for trade shows.
- All requests should be sent via e-mail to: [samples.graphics@averydennison.com](mailto:samples.graphics@averydennison.com) or fax to: 440-358-3793

## CUSTOM FINISHING & BULK ROLLS

### Order Cancellation/Change

- Custom adhesive coat or custom color orders cannot be cancelled or changed after the receipt of the order.
- Custom finish orders can be changed up to the time of converting.
- Increase to order volume will require a new order.

### Minimum Order Size (Custom Products)

	Products	Minimums	Leadtime
Custom Adhesive Coating (Mix and Match with stock Face, adhesive, and liner)	Calendered	500 yd	5 days**
	Cast	500 yd	9 days**
	Digital	1250 yd	9 days**

Call for details

### Cut Sheets

- Minimum order is 600 sq ft of identical sizes, sheets must be rectangular or square in shape.
- Width: minimum 6" and maximum 60" (see available colors)
- Length: minimum 6" and maximum 96"

### Custom Adhesive Coating (Mix and match of stock raw materials)

- Custom adhesive coat products require a 500 yd minimum order quantity.
- Requires purchase of full web width.
- Custom finishing guidelines apply.
- Custom adhesive coat orders are considered complete at +/- 10% of order quantity.

### Custom Color Matching - Cast products

- Custom color match require a 1000 yd minimum order quantity. Number of rolls or length of the final set of rolls may vary from requested length based on custom cost order tolerances.
- Custom finishing guidelines apply.
- Custom color match orders are considered complete at +/- 10% of order quantity.
- Target lead time for approved custom color match is 12 business dasy for Cast and 30 days for Reflective films. (see product guide for details)

### Custom Color Matching

- Custom color orders are considered complete at +/- 10% for SC &UC 900 Colors and +/- 20% for HV1200 of order quantity.
- Avery Dennison Graphics Products provides custom color matching for UC &SC 900 Color and HV 1200 Reflective Films.
- Sample color matches are provided within 5 business days for customer approval.
- Target lead time for manufacturing of an approved custom color match is 10 business days for cast films and 30 business days for reflective films.
- Colors can be matched by either referencing a PMS number or providing a sample.
- Custom finishing guidelines apply.

### Custom Finishing

- Minimum custom width 6".
- Customer responsible for full web width.
- Width tolerance: +/- .125"
- Roll length tolerance +/- 1%
- 1 business day if ordered by 1:00 p.m. Check catalog for qualifying products. Contact Customer Service for non-qualifying products custom finish lead time.
- If the total order of a single color is over 5,000 sq ft, call for details.

### Freight

- All products will be shipped freight prepaid and billed F.O.B. from any Avery Dennison Graphics Solutions (U.S.) distribution facility for all U.S. customers.
- Routing is of our selection; routing at the direction of customer will be at customer's expense.

### Packaging Information

- Standard packaging is used but can vary depending upon format, size, and quantity of material to be shipped.
- Non-standard packaging requests require special quotation.

### Special Up-charges

Upcharge Description	Size	Upcharge
Punching custom length	15" and 30" only	2%
Sheeting upcharge	see cut sheet requirements	\$0.02/sf

## CONDITIONS OF SALE

**1. PRICE AND PAYMENT:** All prices, unless stated otherwise herein, are F.O.B. shipping point and are exclusive of any present or future federal, state, local or other taxes applicable to the sale of products listed herein. Any such taxes shall be added to the price and paid by PURCHASER unless PURCHASER provides Avery Dennison Corporation (AVERY DENNISON) with a valid exemption certificate acceptable to AVERY DENNISON and the appropriate taxing authorities. All prices are subject to change without prior notice; however, prices shall be those contained in the appropriate AVERY DENNISON Price List covering the products ordered and in effect on the "Ship Date" noted on the face of AVERY DENNISON's Sales Order. Orders calling for future delivery shall be billed at prices in effect on the shipping date. Shipments which are +/- 10% of the actual quantity ordered shall constitute filling the order; and PURCHASER shall be billed only for the quantity actually shipped plus, if applicable, trim loss.

The net amount of invoice shall be payable in full within thirty days following the date of invoice. A one percent discount is available if payment is received within ten days of date of invoice. Amounts not paid within thirty days of date of invoice will be subject to a late payment charge of 1.0% per month on the unpaid balance to be included on each month's invoice until paid. The imposition of such charge is not intended to infer and consent, acquiescence or other agreement, expressed or implied, on the part of AVERY DENNISON to forbear or otherwise defer collection of such amounts when due. To the contrary, AVERY DENNISON expects payment on or before the due date of each invoice and intends to take all necessary and feasible action to enforce prompt payment. PURCHASER confirms, acknowledges and agrees that it would be expensive to attempt to determine the actual damage sustained by AVERY DENNISON as the result of the default payment of any individual account and that the charge of 1.0% per month referred to above represents a reasonable endeavor to fix AVERY DENNISON's minimum probable loss resulting from delinquent payment, that such charge bears a reasonable relation to such loss and that surcharge is reasonable in amount. It is expressly intended by AVERY DENNISON and PURCHASER that this provision for late payment charges shall constitute a valid, binding and enforceable agreement for the payment of liquidated damages pursuant to Section 1671 (b) of the California Civil Code and Section 2718 (1) of the California Commercial Code. If in AVERY DENNISON's opinion PURCHASER's financial condition does not justify continuance of production or shipment on the terms of payment specified, AVERY DENNISON may require payments in advance. Failure of PURCHASER to pay any AVERY DENNISON invoice by its due date makes all subsequent invoices immediately due and payable irrespective of terms and AVERY DENNISON may withhold subsequent deliveries until the full account is settled.

**2. ACCEPTANCE:** An order once placed with and accepted by AVERY DENNISON (all orders are subject to acceptance by AVERY DENNISON's home office) may be cancelled only with AVERY DENNISON's consent and upon terms that will indemnify AVERY DENNISON against loss.

**3. TITLE AND RISK OF LOSS:** Title and risk of loss to all products purchased shall pass to PURCHASER upon delivery by AVERY DENNISON to a common carrier, regardless of the freight terms stated or method of payment of transportation charges.

**4. SHIPMENT AND TRANSPORTATION CHARGES:** AVERY DENNISON reserves the right to specify routing of shipments. AVERY DENNISON shall attempt to ship within the time specified in AVERY DENNISON's Sales Order, if indicated and, if not, then within a reasonable time; and PURCHASER acknowledges that no claim may be made for delays in shipment where PURCHASER accepts the products. Unless specified in AVERY DENNISON's Sales Order, freight charges shall be prepaid and billed.

**5. COMPLIANCE:** AVERY DENNISON products are manufactured in compliance with all applicable requirements of the Fair Labor Standards Act, as amended. Except as otherwise agreed in writing, normal tolerances in specifications shall not be cause to reject products.

**6. RETURNS:** Products sold by AVERY DENNISON are reasonable only in accordance with the warranty provisions hereof. Before returning any product, PURCHASER must obtain AVERY DENNISON's written material authorization and instructions.

**7. LIMITED WARRANTY.** All statements, technical information and recommendations concerning products sold or samples provided by AVERY DENNISON are based upon tests believed to be reliable but do not constitute a guarantee or warranty. All products are sold and samples of products provided with the understanding that PURCHASER has independently determined the suitability of such products for its purposes. AVERY DENNISON warrants the products to be free from defects in material and workmanship. Should any failure

to conform to this warranty appear within one year\* after the initial date of shipment, AVERY DENNISON shall, upon notification thereof and substantiation that the products have been stored and applied in accordance with AVERY DENNISON's standards, correct such defects by suitable repair or replacement of the products without charge at AVERY DENNISON's plant or at the location of the products (at AVERY DENNISON's election); provided, however, that if AVERY DENNISON determines that repair or replacement is not commercially practical, AVERY DENNISON shall issue a credit in favor of PURCHASER in an amount not to exceed the purchase price of the defective products.

THIS WARRANTY IS EXCLUSIVE AND IS IN LIEU OF ANY OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE AND/OR NON-INFRINGEMENT. NO WAIVER, ALTERATION, ADDITIONS OR MODIFICATIONS OF THE FOREGOING CONDITIONS SHALL BE VALID UNLESS MADE IN WRITING AND MANUALLY SIGNED BY AN OFFICER OF AVERY DENNISON.

\* Or the time period stated on the specific product specification sheet, if any, and if not then on the specific information literature in effect at time of shipment.

**8. LIMITATION OF LIABILITY:** IN NO EVENT SHALL AVERY DENNISON BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO, LOSS OF PROFIT, LOSS OF USE OR PRODUCTION OR LOSS OF CAPITAL. THE REMEDIES OF PURCHASER SET FORTH HEREIN ARE EXCLUSIVE AND THE TOTAL LIABILITY OF AVERY DENNISON WITH RESPECT TO ANY CONTRACT, OR ANYTHING DONE IN CONNECTION THEREWITH SUCH AS THE PERFORMANCE OR BREACH HEREOF, OR FROM THE MANUFACTURE, SALE, DELIVERY, RESALE, INSTALLATION OR USE OF ANY PRODUCTS WHETHER ARISING OUT OF CONTRACT, NEGLIGENCE, STRICT TORT, OR UNDER ANY WARRANTY, OR OTHERWISE SHALL NOT EXCEED THE PURCHASE PRICE OF THE PRODUCTS UPON WHICH LIABILITY IS BASED.

**9. ASSIGNMENT:** Any assignment of this agreement or of any rights hereunder or hypothecation thereof in any manner, in whole or in part, without the prior written consent of AVERY DENNISON shall be void.

**10. NON-WAIVER:** Failure by AVERY DENNISON to insist upon strict performance of any of the terms or conditions hereof, failure or delay to exercise any rights or remedies provided herein or by law or to properly notify PURCHASER in the event of breach, or the acceptance of payment for any products hereunder, shall not be deemed a waiver of any right of AVERY DENNISON to insist upon strict performance hereof or any of its rights or remedies or as to any prior to subsequent default hereunder, nor shall any termination of this agreement operate as a waiver of any of the terms hereof.

**11. FORCE MAJEURE:** AVERY DENNISON shall not be liable for any loss, damage, delays, changes in shipment schedules or failure to deliver caused by accident, fire, strike, riot, civil commotion, insurrection, war, the elements, embargo, failure of carrier, inability to obtain transportation facilities, government requirements, acts of God or public enemy, prior orders from others or limitations on AVERY DENNISON's or its suppliers' products or marketing activities or any other cause or contingency beyond AVERY DENNISON's control.

**12. CHOICE OF LAW:** This agreement shall be governed by and construed in accordance with the laws of the State of Ohio.

**13. ENTIRE AGREEMENT:** These terms and conditions embody the entire agreement and understanding between the parties, are intended as a complete and exclusive statement of the terms of agreement regarding the products set forth on AVERY DENNISON's Sales Order between the parties, and supersede any prior or collateral agreement or understanding between the parties relating to the subject matter hereof. PURCHASER acknowledges that AVERY DENNISON has not made any representation to PURCHASER other than those which are specifically referred to or contained herein. Each paragraph and provision hereof is severable and if any provision is held invalid or unenforceable, the remaining provisions shall nevertheless remain in full force and effect.

# Products for any graphic application.

Avery Dennison  
Graphics Solutions

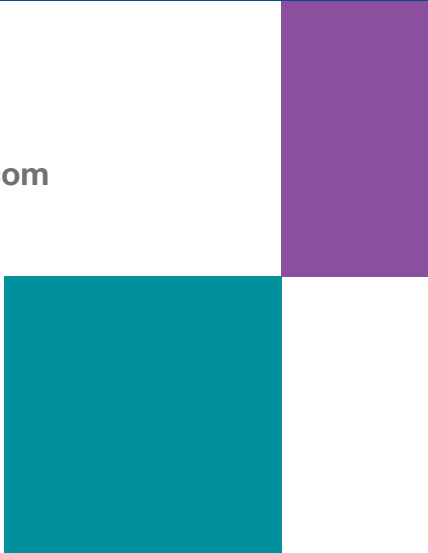

Our high-performance, pressure-sensitive materials are found in thousands of products used every day around the world – in digital, screen print and sign cut applications, such as vehicle, building graphics, marine and fleet graphics, architecture and advertising. Our complete line of products are designed to meet any graphic application need.

Everyday...everywhere. Avery Dennison is constantly innovating to make graphics more exciting, noticeable and easy to install. Decades of know-how and the latest technologies – like Easy Apply Technology Supreme Wrapping Films and our Digital Overlaminates – allow us to help our customers consistently transform ideas into impactful messages.
