

Xerox® Paper and Specialty Media

Product Catalog

The Xerox® Paper and Specialty Media Line can meet a wide variety of needs. From everyday usage to high-volume jobs, and from digital printing to more specialty applications, you'll find just what you need for your business or for professional-looking print jobs.

This line is organized into three product families, Vitality $^{\mathbb{M}}$, Bold $^{\mathbb{M}}$ and Revolution $^{\mathbb{M}}$ to help you make better choices based on usage and project needs.

Vitality™ papers are multipurpose papers that will always give you great looking results. So whether you're printing on your desktop printer, using a laser printer, making copies or stocking paper for the whole office, Xerox® Vitality™ will help you get the job done more efficiently and with less hassle.

Bold™ office papers and digital printing papers are digitally optimized to give you the professional quality results that your work demands. When you're looking for results that make your work look a step above the rest, this high quality line will help you make an impression that lasts.

The **Revolution™** line includes a wide variety of specialty papers, films and materials. These unique and customizable products help you increase sales by offering your customers a full range of professional-looking marketing and business-building tools.

The Xerox® Paper and Specialty Media Line can also help meet corporate and sustainability goals. Nearly all of the office papers and digital printing papers within the line are Forest Stewardship Council® (FSC®) certified and the entire line of office and premium office papers are produced in the United States or Canada.

Working collaboratively with the Xerox® Corporation and our qualified media partners, Domtar now designs and manufactures the Xerox® Paper and Specialty Media Line.

Many of our Multipurpose Printer Papers are guaranteed to be 99.99% **jam free** on high speed digital printing equipment, so you can trust that they will perform jam free and hassle free...every time. And Domtar provides a performance guarantee on the entire Xerox® Paper and Specialty Media Line.

Distributed by Domtar's Enterprise Group, the Xerox® Paper and Specialty Media products are widely available for purchase through office supply stationers, paper merchants, at office supply stores, select retailers and online.

For more information, or to order, please contact your local office supplier or contact the Enterprise Group at 1.800.458.4640. To find out more about all our great products, go to domtar.com.

Xerox® Revolution™ Performance Never Tear®

Previously Xerox® Performance Never Tear

Xerox® Revolution™ Performance Never
Tear® is a versatile synthetic paper ideal
for durable, everyday projects. Its medium
density is rigid, yet pliable enough for scoring,
folding and die-cutting. A perfect substitute for
laminating, Xerox® Revolution™ Performance
Never Tear® is tear-proof and waterproof to
stand up to repeated use and rugged conditions.
Designed with a static control coating and
uniform print surface for text and graphics
in laser printing. Offered in four different
thicknesses and two convenient sizes.

Features:

- Available in 5 mil, 8 mil, 10 mil and 14 mil thickness
- White, 94 brightness
- Matte finish
- Does not melt in laser printing
- Performance Guaranteed

Xerox $^{\circ}$ Revolution $^{\sim}$ Performance Never Tear $^{\circ}$ is ideal for:

- Instruction Documents
- Signs
- Manuals
- Maps

Xerox[®] Revolution[™] ID Cards

The Xerox® Revolution™ ID Card line offers a wide variety of options to promote your business with creative solutions for a lasting impression. Xerox® Revolution™ ID Cards are wallet size cards integrated into a sheet of paper to allow personalized letters, promotions or information along with one or more cards for membership, identification or coupons. Card options range from high-end loyalty and membership cards to versatile one-time-use coupon and admission cards.

And if any of the standard items do not meet your need, we can tailor the card and the carrier sheet to your exact usage.

Features:

- Long-term, durable and one-time-use card options
- Synthetic Cards or Laminated Paper Cards, one-side or twoside laminated
- Card size is 3.375" x 2.125" inches
- Multiple thicknesses available in synthetic cards
- Integrated into the carrier sheet for lay flat printing
- Easy removal with perf-out or peel-off options
- 1-side or 2-side printable cards
- 1-up or 2-up formats
- Templates included and available online
- Performance Guaranteed

Xerox[®] Revolution[™] ID Cards are ideal for:

- Gift Cards
- Membership/Admission
- Health and Insurance Identification
- Student Identification
- Appointment Reminders
- Coupons

Xerox® Revolution™ Label

The Xerox® Revolution™ Label line is a versatile line of labels that have been optimized to perform in a wide range of xerographic printers with the dependability that goes along with Xerox® Paper and Specialty Media. The line ranges from high-speed plain paper labels to synthetic durable labels for extreme conditions — with many options in between. Each product is designed to run without contaminating equipment or leaving adhesive residual, resulting in fewer jams. Labels come in a variety of sizes to meet the needs of almost any job and make your work look great.

Features

- Labels come with templates and tips to get the best result for your project
- Full sheet labels are great for creating customized shapes and sizes, or signs
- Performance Guaranteed

Label Options:

- Multipurpose paper labels
- High speed paper and clear labels for high volume jobs
- Gloss and matte coated labels, including labels for DVD's and CD's
- Synthetic polyester and vinyl labels Permanent, Extreme Permanent, Removable and Repositionable
- Synthetic polyester repositionable decals integrated into carrier sheet for promotional use

Xerox® Revolution™ Labels are ideal for:

- Mailing and Return Address
- Product Tags
- Package Labels
- Signage
- Container Labels
- Outdoor Stickers
- Window Signage
- Safety Notices

Xerox® Revolution™ Label – Multipurpose Labels

Xerox® Revolution™ Multipurpose Labels are white, plain paper labels that are great from everyday jobs to important projects. Available in eight different sizes and convenient 100 sheet packs. Runs efficiently and trouble free in a wide variety of printers.

Stocking Information

Item No.	Sheet Size	Label Size	Description	Sheets/Ctn
3R12050	8.5 x 11"	2.83 x 1"	Uncoated, 33-Up	100
3R12051	8.5 x 11"	2.62 x 1"	Uncoated, 30-Up	100
3R12052	8.5 x 11"	2.83 x 1.37"	Uncoated, 24-Up	100

Xerox® Revolution™ Label – Synthetic Durable Labels

Xerox® Revolution™ Synthetic Labels are weatherproof, washable and tear-resistant for use in a multitude of applications in harsh environments. These full sheet synthetic labels eliminate the need for lamination and top coating. With permanent, extreme permanent, removable and repositionable adhesive options you can be sure labels will stick where they're meant to and come off easy where they're not.

Xerox® Revolution™ Label – Integrated Labels

Xerox® Revolution™ Integrated Labels are repositionable synthetic labels affixed to a carrier sheet for combining a personalized letter or information along with a card or decal. Repositionable cards can be used as an alternative to magnets for a "stick anywhere" approach, while decals can be used as a window sticker or parking pass.

Performance Guarantee

With the Domtar Performance Guarantee, you can be assured that if you are unhappy with the performance of this product, you may return the unused portion and we will either replace it, or refund your money.

Xerox[®] Revolution[™] Wide Format

The Xerox® Revolution™ Wide Format line offers a wide variety of options to promote your business. From reprographic media, draft printing, CAD drawings or aqueous ink applications, we have you covered.

And if any standard items do not meet your needs, we can tailor the media to fit your exact usage.

Features:

- Options compatible with dye and pigment ink applications
- Specialty substrates available including canvas and films
- Versatility of use indoor and outdoor
- Performance Guaranteed

Ideal for:

- Banners
- Floor Plans
- Engineering Drawings
- Drafts
- CAD Plots and Prints
- Storage Kiosks
- Signage

Xerox® Revolution™ Wide Format Media – Multipurpose Bond

Xerox® Revolution™ Wide Format – Multipurpose Bond is a universal paper good for most wide format applications. Packaged in clam-shell designed cartons with strong inner poly bags to protect the media against moisture contamination. The thicker, heat-dried core reduces propensity for damage.

Xerox® Revolution™ Wide Format Media – Multipurpose Bond is ideal for:

- Engineering Documents
- Architectural Drawings and Plans
- Construction Plans or Renderings
- Electrical Diagrams
- Utilities Drawings
- Work Orders

Xerox® Revolution™ Wide Format Media – CAD Uncoated

Xerox® Revolution™ Wide Format Media – CAD Uncoated is check plot paper ideal for draft printing. Designed with 92 brightness for crisp, high contrast drawing line detail. Paper lays flat and has reverse curl control attributes. Offered in a wide range of roll widths and lengths to maximize productivity.

Xerox® Revolution™ Wide Format Media – CAD Uncoated is ideal for:

- Floor Plans
- Manufacturer Drawings
- AEC Drawings
