Pressure-Sensitive Mounting Adhesives

Print Mount®, Eco Mount™ & OptiMount®

SEAL®

SEAL® pressure-sensitive mounting adhesives are a diverse group of products including eight distinct formulations with proven performance - even for the most demanding applications. From economical Eco Mount™, for flexible substrates, to high performance Print Mount® Ultra, for long-term displays, there is a SEAL solution for you.

Print Mount® Ultra

This SEAL adhesive is a high-tack solvent-based acrylic adhesive. Print Mount Ultra has a 1.5 mil white carrier to prevent dark colored substrates from bleeding through thin digital media. It is perfect for mounting to black rigid boards, such as Gator-foam®, and low surface energy plastics, such as polystyrene and Sintra®.

Print Mount® Plus

This permanent solvent-based acrylic adhesive has a clear, 1 mil polyester carrier. It is ideal for mounting to rigid substrates that will not bow or flex.

Print Mount® White

Print Mount White is a permanent water-based acrylic adhesive that incorporates a white 2 mil polypropylene carrier to prevent bleed through when mounting thin prints or media to black or dark colored substrates.

Print Mount® Delta

Multi-purpose and cost-effective pressure-sensitive adhesive film. Perfect for mounting wide digital prints, photographic prints or posters. With its hot melt adhesive formulation, Print Mount Delta, provides an excellent indoor and short-term outdoor mounting solution.

Print Mount® DualTemp™

This two-in-one mounting adhesive combines a polyester carrier with dual adhesives - pressure-sensitive and heat-activated. This hybrid product allows you to easily create a pressure-sensitive decal and thermally encapsulate an image in one pass through a dual heated roller laminator.

Print Mount® Removable

Ideal for indoor floor graphic applications that have to be removed after a set period of time. Print Mount Removable is constructed with a permanent adhesive on one side and a removable adhesive on the other. It bonds to a wide range of smooth surfaces.

Eco Mount™

SEAL Eco Mount is a 1 mil water-based, polyacrylate, unsupported adhesive that is both environmentally friendly and economical. By eliminating the carrier this mounting adhesive becomes environmentally degradeable and recyclable, yet performs as well as more traditional adhesives. Eco Mount is recommended for use with flexible substrates, pre-coating board or in combination with SEAL Eco Board to reduce the impact graphics have on the environment.

OptiMount® Ultra

This optically clear mounting film is specially designed to cope with the demands of backlit applications. It delivers outstanding performance when used for mounting inkjet, photographic and other types of printed images to clear Plexiglas® or glass.

Pressure-Sensitive Mounting Adhesives

Print Mount®, Eco Mount™ & OptiMount®

Technical Specifications

	Adhesive	Adhesive	Carrier Type	Carrier Thickness	Total Thickness	Release Liner Thickness
Print Mount Ultra	Solvent Acrylic	Permanent	White Polypropylene	1.5 mil	3.0 mil	PE Coated Kraft Paper
Print Mount Plus	Solvent Acrylic	Permanent	Clear Polyester	1.0 mil	3.0 mil	PE Coated Kraft Paper
Print Mount White	Water-Based Acrylic	Permanent	White Polypropylene	2.0 mil	3.0 mil	Siliconized Kraft Paper
Print Mount Delta	Hot Melt	Permanent	Clear Polyester	0.5 mil	2.0 mil	Siliconized Glassine
Print Mount DualTemp	Water-Based/Extruded Copolymer	Permanent	Clear Polyester	1.0 mil	4.0 mil	Polyester
Print Mount Removable	Water-Based Acrylic	Removable	Clear Vinyl	2.0 mil	4.0 mil	PE Coated Kraft Paper
Eco Mount	Water-Based Acrylic	Permanent	N/A	N/A	1.0 mil	Siliconized Kraft Paper
OptiMount Ultra	Solvent Acrylic	Permanent	Clear Polyester	1.0 mil	3.0 mil	Polyester (dual liners)

Roll Sizes & Item Numbers

	Item Number	Roll Size
Print Mount Ultra	1657	25" x 200' (635mm x 61m)
	1622A	31" x 200' (787mm x 61m)
	1659	38" x 200' (965mm x 61m)
	1649-9	41" x 200' (1.04m x 61m)
	1658	43" x 200' (1.09m x 61m)
	1649-6	51" x 200' (1.29m x 61m)
	1625	51" x 400' (1.29m x 122m)
	1648	54" x 200' (1.37m x 61m)
	60668	38" x 25' (965mm x 7.6m)
Print Mount Plus	2344	25" x 200' (635mm x 61m)
	2341	38" x 200' (965mm x 61m)
	1344-1	41" x 200' (1.04m x 61m)
	2333	43" x 200' (1.09m x 61m)
	1347-1	51" x 200' (1.29m x 61m)
	1348	51" x 400' (1.29m x 122m)
	2342	61" x 200' (1.55m x 61m)
	60662	38" x 25' (965mm x 7.6m)

	Item Number	Roll Size
Print Mount White	62000	25" x 200' (635mm x 61m)
	62009	31" x 200' (787mm x 61m)
	62001	38" x 200' (965mm x 61m)
	62002	41" x 200' (1.04m x 61m)
	62003	43" x 200' (1.09m x 61m)
	62004	51" x 200' (1.29m x 61m)
	62005	51" x 400' (1.29m x 122m)
	62006	61" x 200' (1.55mx 61m)
	62007	79" x 200' (2.01m x 61m)
	62008	38" x 25' (965m x 7.6m)
Print Mount Delta	63160	25" x 200' (635mm x 61m)
	63161	31" x 200' (787mm x 61m)
	63162	38" x 200' (965mm x 61m)
	63163	41" x 200' (1.04m x 61m)
	63164	43" x 200' (1.09m x 61m)
	63165	51" x 200' (1.29m x 61m)
	63166	51" x 400' (1.29m x 122m)
	63168	61" x 200' (1.55m x 61m)
	63170	38" x 25' (965mm x 7.6m)

	Item Number	Roll Size
Print Mount DualTemp	63241	38" x 200' (965mm x 61m)
	63244	51" x 200' (1.29m x 61m)
	63246	38" x 25' (965mm x 7.6m)
Print Mount Removable	2977	38" x 200' (965mm x 61m)
	2976	51" x 200' (1.29m x 61m)
	60293	38" x 25' (965mm x 7.6m)
Eco Mount	63182	38" x 200' (965mm x 61m)
	63185	51" x 200' (1.29m x 61m)
	63180	38" x 25' (965mm x 7.6m)
OptiMount Ultra	62051	31" x 200' (787m x 61m)
	62052	41" x 200' (1.04m x 61m)
	62053	51" x 200' (1.29m x 61m)
	62054	51" x 400' (1.29m x 122m)
	62056	31" x 50' (787mm x 15.2m)
