

# Océ HW48

## 48 LB COATED BOND PAPER AQUEOUS INKJET MEDIA

### PRODUCT DESCRIPTION

A 48 lb (180 gsm), is an economical, bright white matte coated paper. This heavyweight coated paper is durable for short-term outdoor applications. It delivers water-resistant prints with no need for lamination when using pigment inks. This coating produces crisp lines, dense blacks and vivid colors with a fast dry-time. Océ HW48 is compatible with both thermal and piezo printers, dye and pigment inks.

### SPECIFICATIONS

#### PHYSICAL PROPERTIES\*

- Basis Weight - 48 lb/170 gsm
- Caliper - 8 mil nominal
- Opacity - 100%
- Brightness - 104%
- Acid Free

\* Target Values

#### FEATURES

- Quick dry
- Water resistant coating
- Outstanding image quality
- Economical

#### RECOMMENDED STORAGE CONDITIONS AND SHELF LIFE

- Store in clean, dry area away from direct sunlight
- Temperature 65°-75°F. (20°-25°C).  
Relative Humidity 40-60%.
- Repack opened rolls when not in use
- Allow material to stabilize to room conditions 24 hours before use.

#### ENVIRONMENTAL, HEALTH & SAFETY

- No Material Safety Data Sheet required.
- Waste not suited for recycling.

#### MAIN APPLICATIONS

- Signs and posters
- POP displays
- Trade Show displays
- Presentations

#### PRINTER/INK COMPATIBILITY

Océ HW48 is recommended for use with dye and pigment inks in most of today's inkjet printers. You can use the Heavyweight coated printer profile in printing.

#### FINISHING RECOMMENDATIONS

Lamination is not required for Océ HW48. However, it does accept most presse-sensitive and low-temperature hot laminating materials. Laminates with UV inhibitors increase fade resistance and protect print durability.

#### IMPORTANT

Printer and driver setting need careful set up to ensure the best performance. Appropriate ink loads must be set for the ink/printer combination being used. Ink lay down not to exceed 350%.

#### COLOR PROFILES

ICC Color profiles will improve image quality and optimize ink load limits for improved dry time, wider color gamut, and more accurate color matching. This information is presented as a general guide and is not a performance guarantee.

The user should independently determine prior to use the suitability of the material for the specific purpose.

## SELECTED AVAILABLE ROLL SIZES

ITEM NUMBER	WIDTH X LENGTH	QUANTITY PER CARTON	CORE
HW4824100	24" x 100'	1 Roll	2"
HW4836100	36" x 100'	1 Roll	2"
HW4842100	42" x 100'	1 Roll	2"
HW4850100	50" x 100'	1 Roll	2"
HW4860100	60" x 100'	1 Roll	2"

## Creating global leadership in printing

Canon and Océ join forces to create the global leader in the printing industry. For our customers this combines Canon and Océ technology with the support of the Océ direct sales and service organizations. Look to the new Canon-Océ combination for:

- Enterprise printing in the office and corporate printroom
- Large format printing of technical documentation, signage and display graphics
- Production printing for marketing service bureaus and graphic arts
- Business services for document process outsourcing
